

## Draw the word

### What do you need for this game?

Cartoonist, picture cards, markers, papers, timer

**Participants:** the whole group, split in several groups

### Language aims

Repetition of learned content, creativity, concentration.

**First**, the teacher prepares some picture cards for students.

**Then**, the students are divided into groups, ideally three.

**After that**, the teacher chooses for each group their own cartoonist.

**Explain** the rules to everyone.

**Start** the timer. One student from each group takes a picture card and hands it to their cartoonist who draws a picture on the board based on the word on the card.

The rest of the group guesses which word it is. When they guess, they send the next member of their group on a new mission.

**The winner** is the group that draws and guesses more words on the given time.
